UPON IT WITHOUT AGENDA

2011/2012 LOVE WITHOUT AGENDA BOOK TOUR WITH JIMMY SPENCER JR

## + OUR NEW BOOK

with a forward by Dr. Tony Campolo

Why have so many Christians forgotten how to love?

Have we missed much of the point of Jesus because of our obsession with Heaven & Hell? We're forever arguing, theologizing, systematizing and evangelizing-all with the agenda to get to ourselves and others into one place and avoid another. Yet, Jesus steadfastly shows us a different set of spiritual goalposts. He shows us a Whole Pattern and invites us to mature into whole spiritual humans by imitating His work. He shows us how to discover our purpose by doing deeds that most reflect God in our every moment-and realizing that love can only flow from who we are and not how others respond.

We've forgotten the Jesus who loves without agenda.

# LWA SPEAKING EVENTS {3 WAYS TO MAKE IT HAPPEN}

## OUR SPEAKING EVENT PHILOSOPHY:

REAL CHANGE > TALKING HEAD This means we make every effort to engage in service and conversation at our speaking events

- + Serving event before or after event
- + Interactive Q/A session with discussions
- + Book reading & community engagement at a local coffee shop
- + Intensive and Interactive LWA Workshop

**Add-Ons for a Speaking Event:** You can choose any add-ons for you speaking event for no cost (same day only) There is an additional \$250 charge if Spencer has to stay an extra day. (*LWA Workshop is always extra charge due to intense & interactive nature*).

**Why we strongly prefer 2 day events:** It's a better value to you and allows Spencer to be more interactive & build relationships. These events are not nearly as taxing as a speaking event for Spencer—but do significantly add to the impact of the event. We recommend taking advantage of the opportunity—make plans to have Spencer serve, share & interact with your community.
